Birthday

2004-07-29

Enthusiastic and curious individual with a passion for technology and a relentless motivation to learn. A strong leader, skilled in problem-solving and adaptable in dynamic environments. Thriving in collaborative teamwork while also embracing autonomy and proactivity. Outside of work, enjoying sports (basketball, gym, tennis, swimming, boxing), music, and traveling, which fuel creativity and broaden perspectives.

EXPERIENCE

UPC Alumni Scholar

February 2024 - Present

Barcelona, Spain

- Enhanced my technical abilities in web maintenance and database management, as well as honed my organizational skills in event planning.
- Improved my capacity for teamwork and my ability to perform under pressure, refining my communication and problem-solving skills in the process.

European Commission UPC Ambassador

February 2024 - Present

Brussels, Belgium

- As a UPC ambassador for the UNICAT program, my responsibilities included promoting the employment opportunities offered by the EU to students and alumni by serving as a spokesperson through conferences and social media.
- Participated in training sessions in Brussels focused on European institutions and bodies.

EDUCATION

September 2022 - Present
